

Inna lillahi wa inna ilayhi raji'un

Verily we belong to Allah and verily to him do we return

إِنَّا لِلّٰهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

Bluebell Cemetery

Hussain Hashim Memorial Gardens

New exclusive Muslim burial ground in one of the most beautiful cemeteries in the outer London region. Those of Muslim faith, can choose a Muslim burial area in un-consecrated ground. We ensure the body is placed so the head is facing Qibla.

We have a marker at the cemetery with an arrow pointing towards Qibla, showing the direction in which the graves are aligned.

The graves are double depth with a set standard to the memorial design.

The following options are available:

- The burials can take place in a shroud or coffin
- Families can put the soil back in the grave themselves (known as backfilling)
- Families can have a headstone or headstone and kerb memorial.

The cemetery staff offer to meet with all families so individual needs and requests can be met
